DONT' HAVE AN ACCOUNT?

Register Now

Important Reminder

- Your account will be verified first by the admin. Once verified, you'll receive an email notifying you whether your account has been approved or rejected.
- Accounts will be approved only if you have an owned or acquired lot. Otherwise, your account will be rejected. However, you can still access the application as a guest, which allows browsing but with limited access to certain features.

1 Fill out all the required fields. If you are an existing owner (a user who purchased a lot before this app was implemented), make sure to select the "Existing Owner" radio button. If this does not apply to you, simply leave it unchecked.

2 Click the “Sign Up” button.

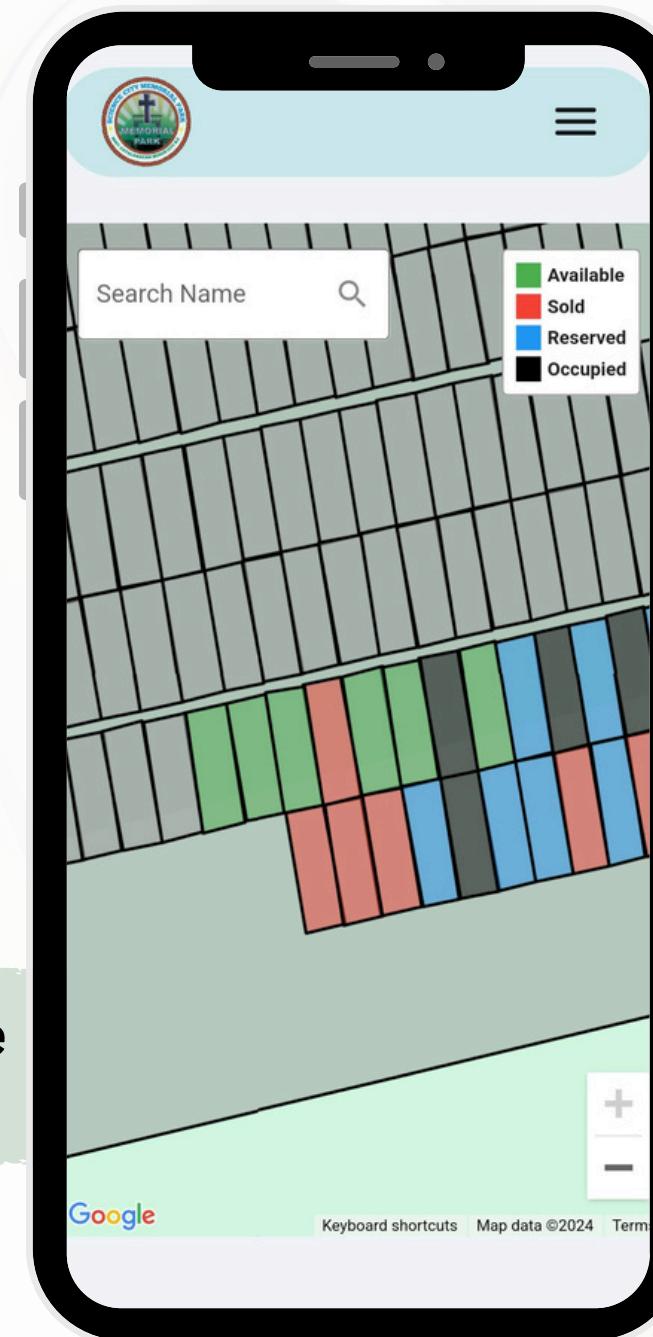

NecroSys

Steps to Acquire Lot

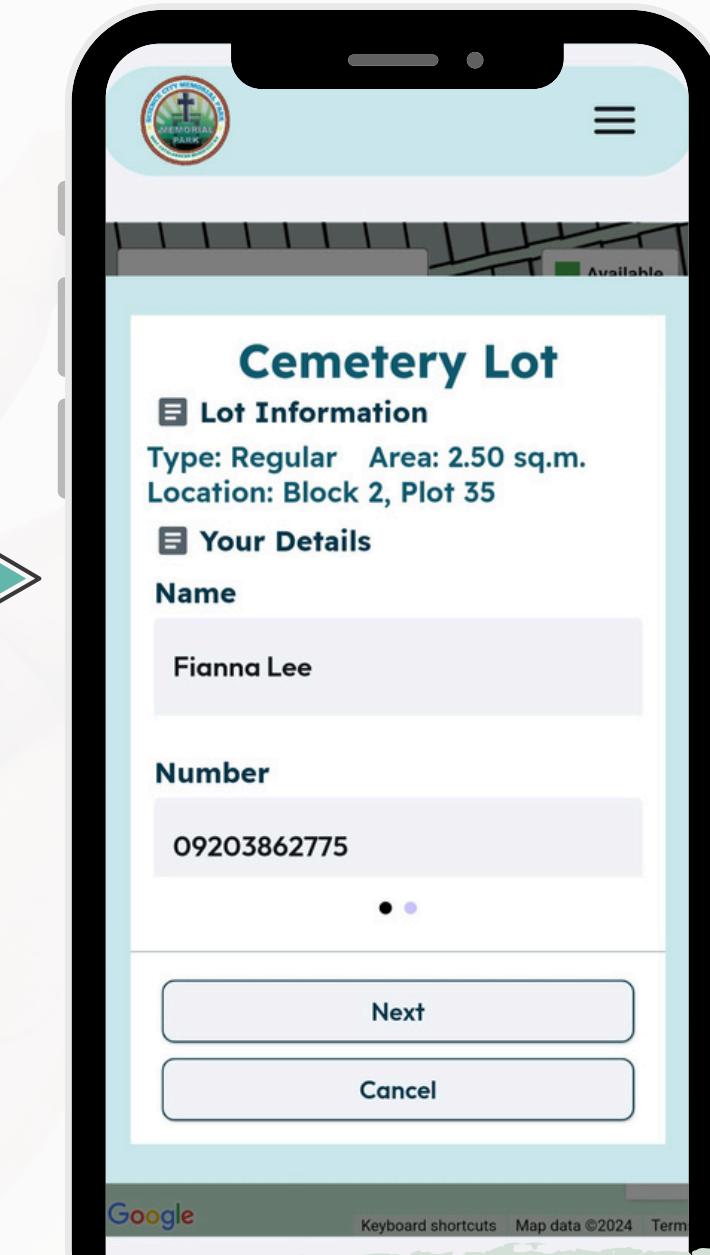

1

Select an available plot (green color).

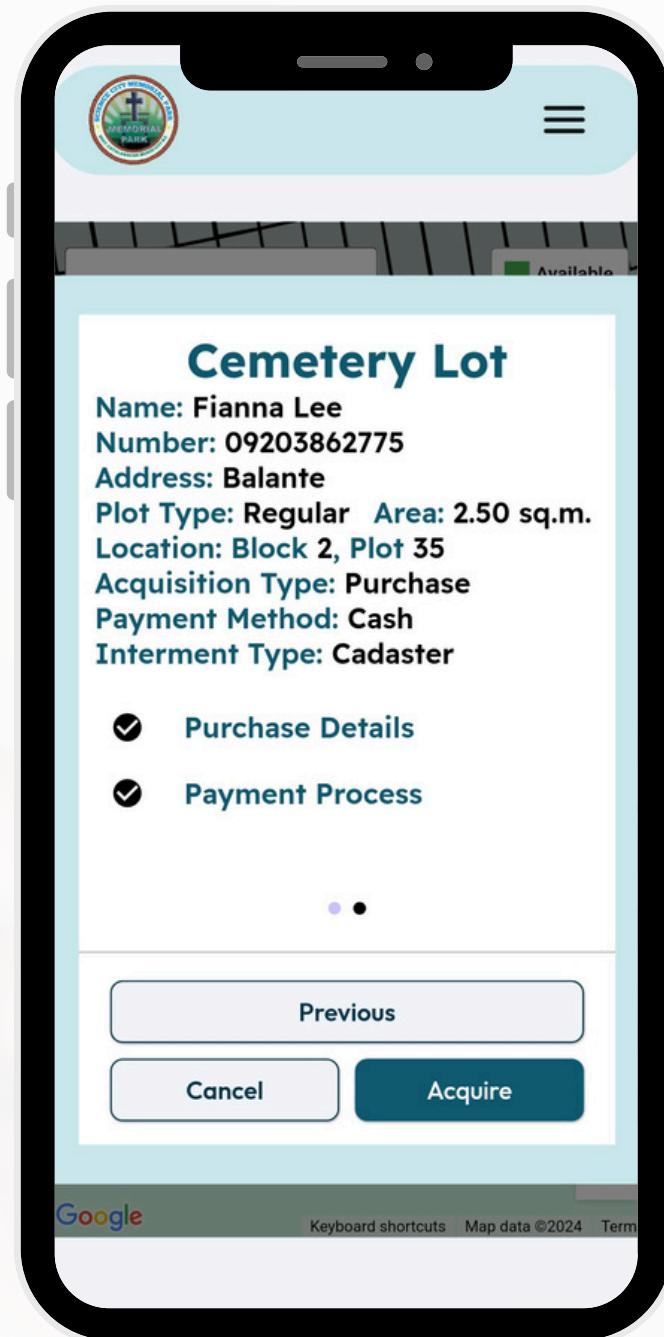

2

Input necessary information, then click “Next”.

3

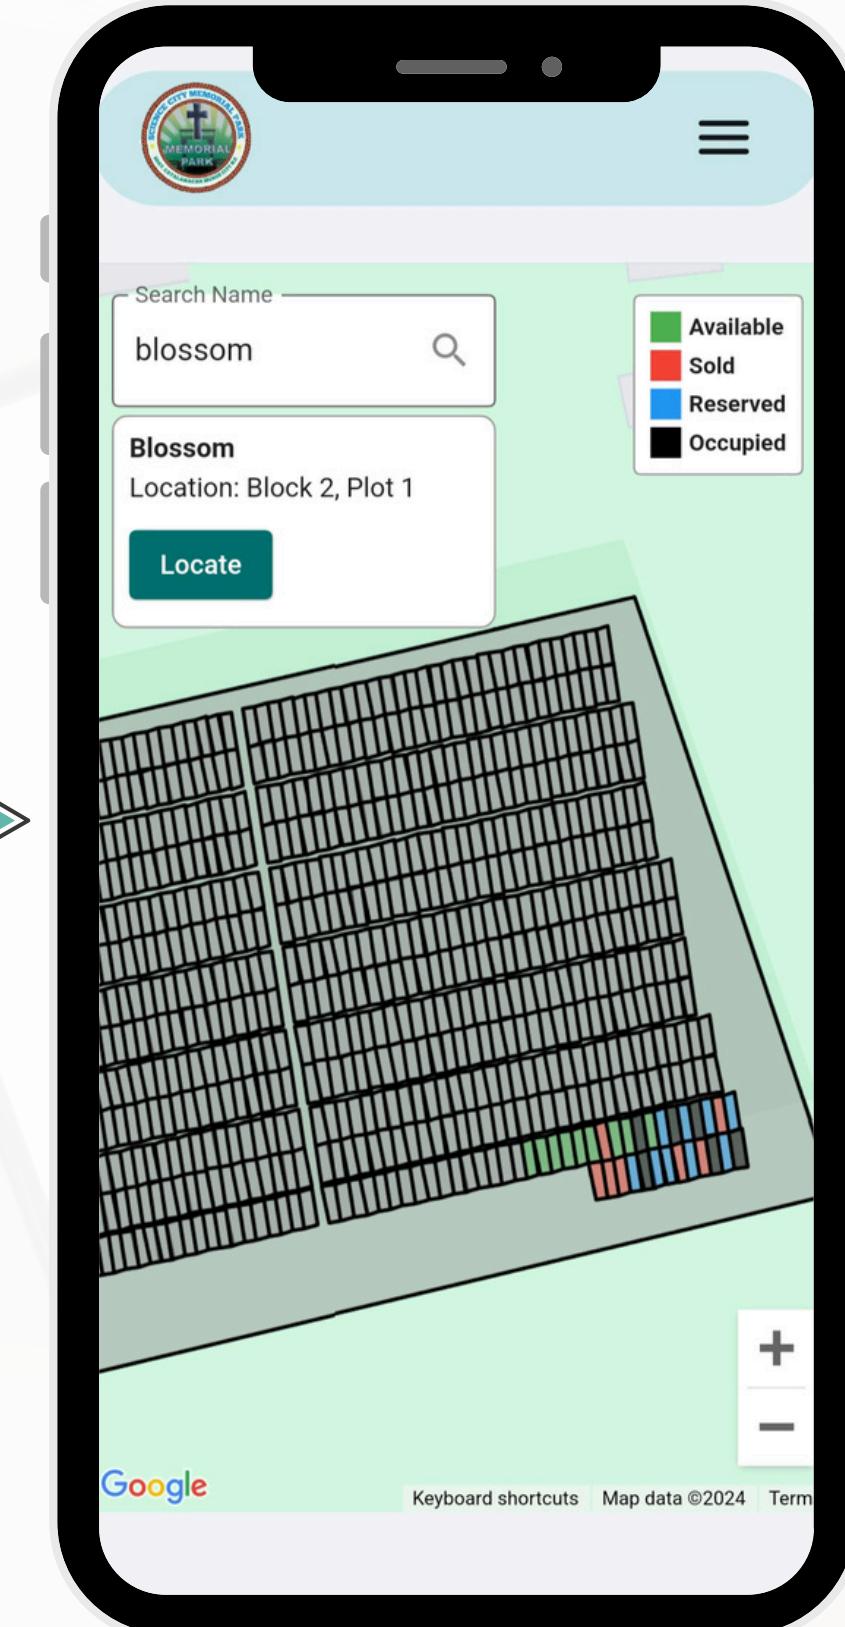

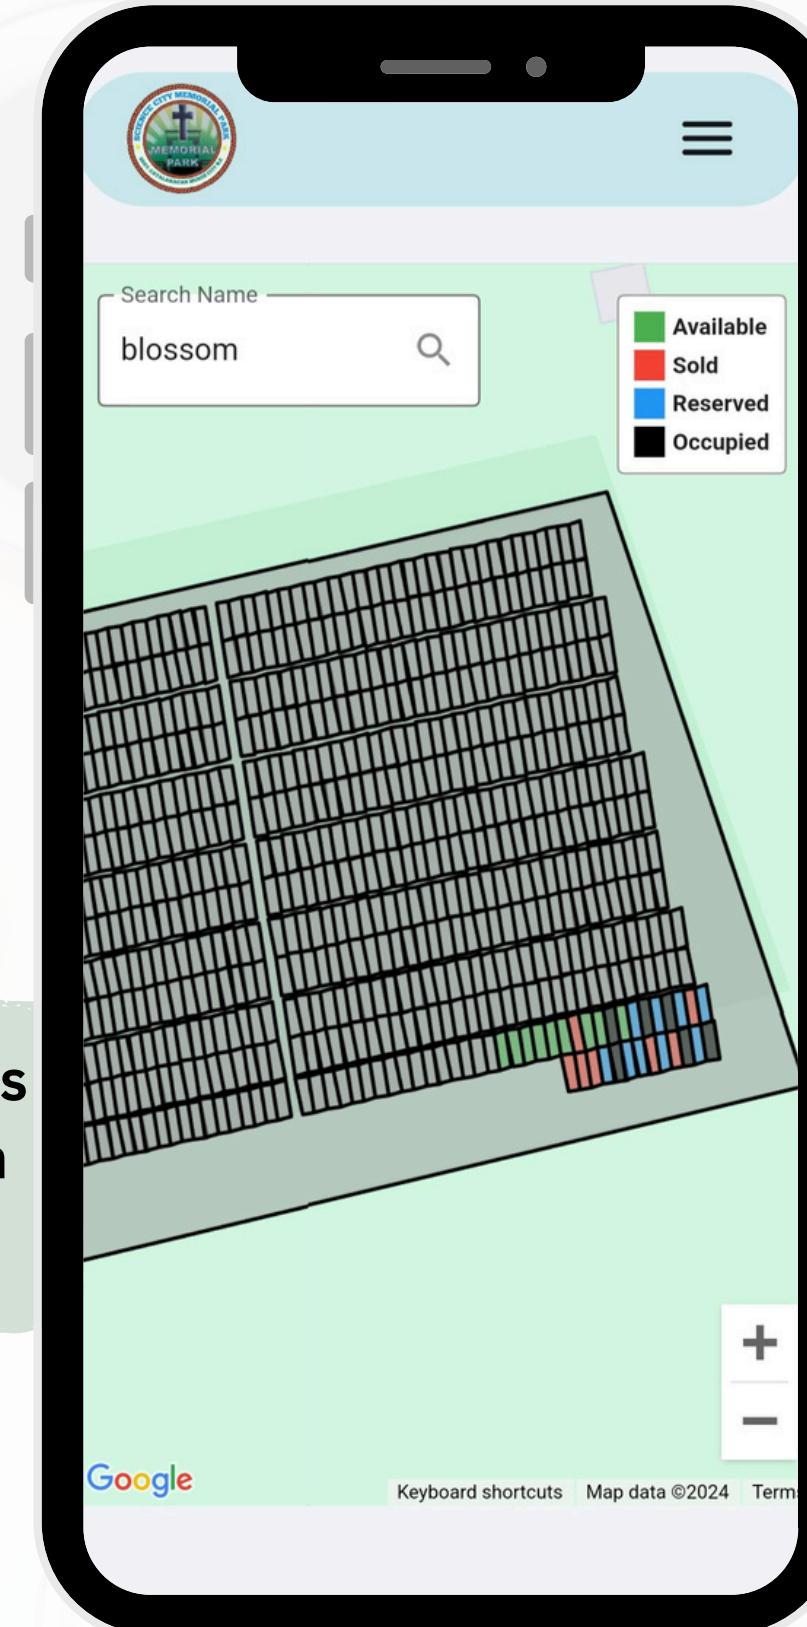

Click the purchase details and payment process radio buttons, then click the “Acquire” button.

How to locate grave?

1

Type the decedent's name in the search bar and hit enter.

2

Click the “Locate” button.

NecroSys

Arranging an Interment
